“ Dennis was a student of my mother ,Clara Mae Clark, in the 7th grade of Ochlocknee middle school. When he was a student at Ringling Art School in Sarasota, FL, he sent my mother a painting of a still life, I have it on my fireplace now.

“ My sincerest condolences to the Hicks family. I knew Dennis through the Southeastern Pastel Society. Dennis was an extremely talented artist and a humble, gentle soul. He always had a kind word for others and a heart of faithful service. He was also completely devoted to his family, especially his sweet, beautiful wife Tina. I will miss his kind smile, his amazing paintings and his friendship. It was a blessing to know him!

“ Our family was blessed by getting to be friends with Dennis and Tina for many years while our oldest son Win played baseball for him and Wayne Gilreath. We felt more like family than friends and spent so many hours together through baseball. He poured so much of his time into teaching our boys. We didn't know about his painting skills until many years later when our boys were out of college. Dennis will be greatly missed and we are so thankful to be able to have called him our friend.

“ Dennis's death sadden me. I am, however, very grateful that we had the opportunity several years ago to renew our friendship through the Class of 66 email list. He and I had talked about his stopping by Treetops (my second home in the mountains) on his next trip to the DC area to visit his relatives. Our contact was primarily maintained on Facebook, with occasional emails to each other. He virtually shared his beautiful art and his hikes with me. I shared my Treetops adventures and food photographs with him. We came to know the older versions of each of us. I will miss Dennis.

“ Dennis has been one of the best neighbor we have ever had. He always offered any help or shared anything we may need. One of the best memories we have of Dennis was when our family was playing volleyball in the front yard and Dennis came over to play with us. We will miss him dearly.

“ *I met Dennis a few years ago when we both volunteered for the Southeastern Pastel Society. Dennis was such a sweet, humble man with a heart to serve. I was blessed to work with him when I was the VP of Southeastern Pastel Society and also the awards chair. In addition to being the treasurer, he stepped up and did a tremendous amount of work when SPS was in great need for volunteers. He filled many shoes. In addition, he was a wonderful artist. Rest in peace, dear Dennis. Here are his paintings that recently hung in the SPS exhibition at Quinlan Arts Center. They are beautiful! Sending prayers to his family.*
