“ *Jesus is Lord! The Lord and Saviour of my brother Devon's life. That's why he made into heaven. Not facts, TRUTH! TRUTH, that cannot be altered or changed. Rest in eternal peace my little brother. Eternally safe!*

All human beings will stand before Jesus and give an account of their lives. So why not turn to Jesus instead of blocking my post? I am honouring the memories of my brother and I WILL do it in the light of Christ. Why? Because JESUS CHRIST OF NAZARETH IS, HIS LORD, MASTER, SAVIOUR, GOD AND KING. His all in all!

“ *Jesus is the only way to heaven and my brother knew that. He responded to the Lord in repentance, accepted the Lord as his Saviour and today he is at peace in the presence of God Almighty Himself who came in the Person of Jesus and lives in all Christians by the power of the Holy Spirit. Rest in peace my little brother. Eternally save and safe!*

“ I’m so sorry for your loss Byron. Your brother is in the arms of the Lord. He’s making a the way to receive you when your time is come. 🙏🙏🙏🙏 Remember the good times you had with him. In this time of bereavement I pray you find peace and comfort from the Lord. The peace that passes all understanding. Just remember in everything you do the Lord is with you. He has promised He will never leave nor will He forsake you. Continue to put your faith and trust in Him. He will guide your path. Blessings my brother 🙏🙏🙏

“ Richard and I are so sorry for your loss. We know all too well how hard it is to say good by to our loved ones. But as we know from scripture that in the midst of life there is death but we have this hope, it won't be long the dead in Christ will rise again, oh glory to God! We will meet again. So I pray that God will bring comfort to your family in this time of bereavement.

“ My most memorable moment with Dad, when our relationship became reconciled and most of all what I loved and missed is every Sunday when you, your grandkids and I would spend hrs on video call " a whole a vibes" the chat, the smile & memorable laughter. When you were there cooking your favorite thing Rice and Peas and Oxtail and drinking your bottle a Remy Martin or Hennessy. Regardless of everything, you where the only human being on earth i could talk to about my deepest problem and for some reason you understood me and encourage me in the gangster way 😁😁😁....but i just have to know now life goes on and your memories will always be with me..which i have no choice...cause I look exactly like you worst when i smile(twins)...sigh..will always love you my daddy..REST UP IN PARADISE 🥹🥹❤️❤️
