“ I love you n I miss you sm daddy thank you for the best 27 years of my life . You weren't rich but if I wanted something you made it happen. You'd always tell everyone “we'll she's just a baby “ you spoiled me but you also laid the law and set me straight. You were my shooter I was a daddy's girl, even when we argued. You did for me whether you wanted to or not. You were the best pawpaw to my children. They truly miss you everyday adalynns heart is broken . I've never known a life without you and it is so weird. I miss the feeling I had of protection, foundation, someone solid. Noones ever gonna go to the end of the world and back for me the way you did. You worked hard and you put our family first even when it involved a lot of weight on your shoulders and I'm so glad I got the chance to tell you that in person. Thank you for the happiest years of my life. And thank you for showing yourself and showing me you're still here taking care of me from up above. I'm going to continue to step up to your plate take care of our family and make you proud as you continue to give me blessings I'm jealous bc I miss you and Mariah and my granny and Dylan and Cody. And y'all are all up there without me. But I also feel like the luckiest girl bc I have the most beautiful best angels anyone could ask for . I'm not ok but I'll be fine. I miss you I'm hurting I'm grieving. I'm sad. This is so unreal my daddy's gone. I'm lost I'm so we'll put together bc you left me that way. But Nonmatter how much I gain I'm missing you. And I'm hurting. This wouldn't be comment for you if i didn't add in I'm forever repping you & I'm also forever repping sweet home alabama ; ROLL TIDE BABY. i can't wait to see u again and talk to u. I love u. Please keep showing me you're here. It gives me some type of comfort ❤️🦋 I love you daddy I miss you. I hope this pain in my heart and stomach go away soon.
