“ *I met the Morris family about 4 years ago when I was hired as a caregiver for Gloria and DeWeese. To know this family was life changing for me. So much love between them certainly rubbed off on me. As Dewesse declined in health, I removed myself from employment and have remained a close friend to DeWesse, Gloria, Christy and Angie.*

As we will all miss him we can find solace that he is no longer in pain. What a great family, and forever friends.
