“ Dewey was a very special person and I remember fondly so many memories of working with him at Piedmont Hospital. One that I will always remember is he would always pick me up in his truck and we would drive to the shop where one of the doctors always ordered hams for the nursing staff - Dewey would not only help load those hams, but he took a great deal of pleasure in helping to pass them out to the staff at Christmas time. On a personal note, after work one day he drove me to Athens where we met my son who had just totaled his care and without Dewey's help and support, I probably would have passed out when I saw the car and realized that my son might not have lived. He was always there to lend a hand or to offer his support/advice (even when we might not have asked for his advice!) My thoughts and prayers are with the family as he will be sorely missed. “ Dewey was a special friend. The first to make me feel at home when I moved to Georgia. I will always remember his kindness and happy go lucky personality. We shared many good times while working together at Piedmont Hospital but more importantly the times we spent together outside of work. Always a generous man with his time and wisdom. May God bless his family and comfort them as well.

“ When I think of a positive attitude and a joyful person I think of Dewey. In the 30 years of knowing him he exhibited a kind and welcoming spirit. Dewey had no enemies, he was a friend to all of us in the engineers society.

Marolyn, May God bless and give you a special strength during this time.

“ While working with Dewey at Piedmont Hospital he could always be counted on to bring a laugh into my day regardless of the circumstances. Dewey possessed the wonderful gift to put things into a balanced perspective which lifted the spirits of those around him.
May God comfort Marolyn and Dewey’s family in their time of grief.

“ Dewey is one of the wisest, wittiest, wonderful characters I’ve ever known. We worked together at Piedmont Hospital and shared many a laugh over lunch with our gang of friends. He made such a positive impression on so many people and inspired many of us along the way. May God comfort his family and give them peace during their time of grief.

“ It's hard to tell the family how special Dewey was to me.....I worked at Piedmont Hospital many years ago....I was so young...in my 20's at the time....in the Personnel Department. He was always making jokes and making everyone laugh...he was always happy and helpful... I will always remember him more for his sense of humor about everything in the hospital than his work....and that is how he would have wanted me to remember him...Dianne Bingham Rohald.

“ Dewey Moon was always a friend and there when any one needed his help.

He was well loved by all of the staff at Piedmont Hospital and was especially appreciated by Dr. Alderman and me. All of the Alderman family sends our thoughts and prayers to his family.

It is ironic that Dr. Alderman, Anthony Gantt, and Dewey all died within 6 months of each other. Piedmont was never the same after they retired.

“ Uncle Dewey was the kind of man I always looked up to, especially as a child..He will forever hold a special place in my heart...My heart aches for Aunt Marolyn, Diane, Durand, and of course the rest of our family, but I rejoice in knowing Uncle Dewey is in the arms of our Lord, to forever be happy and healthy.. "To be absent from the body is to be present with the Lord" is my consolation now...Love to all the family and friends throughout this trial we are enduring...Carole (Smith)
