“ *Diane was my biological mother. She loved me so much that she gave me to a family at birth to raise me. I know that was one of the hardest decisions she ever made in life. When my mama passed in 1990, she somehow came across her obituary. She had made a promise to my mama that she would never interfere. Once she knew my mama had passed she contacted my daddy to ask if she could call me. He said yes! We built a great friendship through the years and I feel so blessed to have been able to meet her and everyone in the family. I ended up having 2 mama's in my life and not everyone gets to have that. Even though we will miss her so much, she had been through so much that I know she is in a better place and out of pain. My prayers go out to David as she was his whole life. My prayers also go out to David Jr. and Dawn. I love you mom! May you Rest In Peace and sending comforting thoughts to the whole family. With love, Christa Pritchett*
