

Diane Moon Turner

June 18, 1949 - November 5, 2024

TURNER - Diane Moon Turner, 75, passed away on Tuesday, November 5, 2024 after a long battle with cancer. A Funeral Service will be held at 2:00 PM on Monday, November 11, 2024 in the Loganville Chapel of Tim Stewart Funeral Home with Rev. Kenny Kuykendall and Keith Wages officiating. Interment will be held at Center Hill Baptist Church Cemetery, 6372 Highway 20, Loganville. Diane was born on June 18, 1949 in Lawrenceville, GA but grew up in Loganville and Monroe. She was preceded in death by her parents, Gerald and Louise Moon; brothers, Douglas Moon and Gary Moon. She married Michael H. Turner on October 24, 1970 and they lived their entire lives and raised two sons, Michael and Brian, in Loganville. Diane is survived by her husband, Michael Turner; sons and daughters-in-law, Michael and Janese Turner, Brian and Dana Turner; grandchildren, Anesse Giles and her husband Austin Giles, Lindsey Huffman and her husband Josh Huffman, Brice Turner, Diana Turner, Michael "Mick" Turner; great grandson, Carter Huffman; uncles, Carl Moon and Merritt Moon; numerous cousins, nephews and nieces. Diane was an avid Georgia Bulldog fan and never missed a Georgia game at Sanford Stadium or by watching on the TV. Her illness never prevented her from cheering the Dawgs on even when she was in the hospital. The nurses at Northside would comment they could hear her hollering in her room for the Dawgs. Diane was also a dedicated mother of Michael and Brian whom she loved dearly. She was a stay at home mom until Michael and Brian were in high school and middle school. Diane then went back to school and received

her degree from UGA and became an official UGA Dawg. After graduation, Diane taught algebra at Loganville Middle School until she retired in 2000. She loved teaching and had a great rapport with many of her students. After teaching she felt she could contribute more to her community, so she served on the Board of Education (where her Grandfather Homer Moon had served for many years) until January 2023 when she had to resign due to her progressive illness. The family will receive friends 2:00 PM - 5:00 PM on Sunday, November 10, 2024 at Tim Stewart Funeral Home, 670 Tom Brewer Road, Loganville, Georgia 30052. 770-466-1544. Please sign online guest registry at www.stewartfh.com.

A beautiful tribute. It was lovely seeing all of those photos. You can see the love she had for her family. She was my 7th grade Math teacher (I think it was 7th) but I loved her as well as everyone else. She would always try to be serious in class and the boys would always get her cracking up. She was great. And her love of the Bulldogs everyone knew. I will never forget your kindness to me when my own Mother got cancer in 2020. You reached out and told me if there was anything I needed to call you, I wish now I had called you. But you were always a supporter and encouraged me on FB. You will never know how much that meant to me Mrs. T. You will never be forgotten. And I will always think of you when I see Georgia Bulldogs. GO DAWGS! I love you. My prayers go out to the family.

“ This is definitely the Mrs Turner that I remember from my 8th Grade Math class. She was one of a kind and was loved by so many. She was one of the best teachers that I had the honor of knowing. Very sorry for your loss of A Great Lady.

“ Mrs. Turner was my 8th grade Algebra teacher and one of my favorite teachers ever. Looking back, I came to admire her even more for her command of the classroom, the content, and the relationships she formed with students. I spent two years teaching 8th grade math myself, and I thought of her daily. About 9 years ago she saw me out walking my dog, Kenny, and she stopped by to see us and the goats. That visit made my day. I loved keeping in touch with her on Facebook over the years. I loved her and will miss her and her family is in my prayers.

“ My deepest sympathies to the Turner family. Like so many other former Loganville students, Mrs Turner was a very memorable part of my 8th grade year at LMS! She was an amazing teacher and made learning fun. I know she made a big impression on so many student's lives. She was well loved and will be missed. Go dawgs!! I will cheer extra loud on her behalf this weekend.
