“ *To Diane's family,  
So very sorry for your loss and ours. Diane was a saint, honest, kindhearted, sweet, terrific, marvelous, fair and wonderful person. A friend to all she loved her family, friends and animals. What a great loss but God has a new Angel for sure. I worked with her for several years at good ole BellSouth while she was in sales and collections and I was in Customer Service. She will be missed so much.  
A friend Karen Anderson*
