“ *Fondest remembrances -
Diane Mitchell was a cool mom and a great friend to me. She allowed me and Tonya to be the best of friends in high school. She would take us or pick us up at school dances, take us out for pizza, and take us to church. More importantly, she would laugh with us. Tonya and Lee may you find peace and love in the memories you cherish. I will always remember your mother with a bright smile.*
