“ I extend my deepest sympathy to Dianne's husband and mother, and family.. Dianne was a wonderful friend and library colleague in those six years when I was library director of the Gwinnett Center Library in 1994-2000. Such a great smile always! It was such fun and always enjoyable working with her! I shall miss very much our recent exchange of Jacquie Lawson cards and notes at every holiday throughout each year.

“ Love and prayers to the Gilmer and Disney families. Dianne was a special person. She provided great advice and guidance to a me when I as young and just beginning to work out in the "real world". She was kind, patient and a lot of fun to work with. I truly enjoyed my time working with her and everyone at the DeKalb College Library. She will be missed by many. May peace, love and understanding come to her family in this difficult time. Rest in Peace sweet Dianne!

“ Dianne, know that you are loved and will be greatly missed. From my first introduction to the Disney family, I knew you were a strong and strident protector of your family and especially your sister. Debbie couldn't have had a better sister or friend. While it took a while, I know I earned your trust, love and support and I'm forever grateful of your love. It's been a blessing to be part of this family and you literally gave your blood and life energy to Jonathan when it was needed most. This is a debt that can never be repaid. Your SPA is a bond that can never be replicated. Go in Peace, Go in Love. Love Always, Gary
