“ I have known the Talley family for years. Dianne's grand-daughter, Summer, is my absolute best friend. Her father, Chris, and bonus mom, Tracy, have always welcomed me like family. Every time I would be with Summer, "Mimi" would be texting her. 24/7. Every single time. The bond they had was something truly so special to witness. Although I never had the chance to meet her, I feel like I got to know a part of her through the stories and memories that Summer has shared over the years. It's always been clear just how loved and admired she was. Summer spoke of her as the kind of person whose presence shaped the family around her in such a beautiful way. From everything I've heard, she was strong, caring, and endlessly devoted to the people she loved.

It's easy to see the impact she had through her family. Chris is a wonderful man, which is an obvious reflection of how she raised him. Summer is a remarkable woman, which is an obvious reflection of the countless days she would spend with her. The kindness, closeness, and warmth that radiate from all of you are a reflection of her. I've always admired the bond your family shares and how much love fills your home. It's obvious that she was the heart of that... the steady, loving foundation who taught by example what it means to care for one another. You can see her influence in the way her family treats people; with compassion, humor, and so much love. Even without meeting her, it's clear she was someone truly special, whose influence will continue to live on in the hearts of those she loved most.

Talley family, I am sending my love and thoughts to the whole family as you remember and celebrate such an incredible soul.

“ Dianne has been my best friend since we were 6 and 8 years old. We met at the Lawrenceville church of God on Buford drive. Almost every Sunday after church she would be at my house or I would be at her house. We had the most fun. Made a lot of wonderful memories i will never forget. She would go with my family on vacation. My dad would say call Dianne tell her to pack her bags we are going to Florida,Cherokee wherever she would be with us. My brother Larry thought of her as another sister. She was a free spirit. That's what I loved about her. She never met a stranger. and on her 70th birthday she showed up at the restaurant with pink hair. And she looked great. That was our fun loving Dianne. She is going to be missed. There will never be another friend like her. Loved her so much

“ *Dianne was an amazing sister and friend. She would text or call me daily. I knew she was getting weaker when I had to initiate those conversations. Even in her last days she was able to send me ❤️❤️❤️. Dianne was a great prayer warrior. Her greatest desire was for her family , friends and anyone she met to know about Jesus. Dianne loved her family. I will miss you my sister , but have the promise of seeing you again in Heaven!*

Dorinda Mulkey - October 26, 2025 at 07:47 PM

Dianne was so sweet and had a beautiful laugh. Last time we saw each other (family get together at Golden Corral) I sat across from her and we talked a lot about the Lord. Dianne has a new body and now with lots of family. Most of all she gets to be with the Lord. We will all be together one day in Heaven!
