“ Dj has always been such an exciting, adventurous, kind, funny, and just a downright amazing guy. He taught me to be myself and embrace who I am even my flaws... he taught me I was worth loving because like he said "what's not to love" dj was the person who would always help you if he could and never expected anything back. He was my brother and he seen me as his sister....we grew up together....once time he dared me to try dip and I did...lol I spit it out his bedroom window and almost puked haha....anytime I needed someone dj was always here to cheer me up....he could light up an entire room just from his smile or laugh...he could make a whole audience laugh with just one sentence as a joke. He was just so amazing. I won't be able to make it to the funeral or send flowers to the funeral but I plan on sending some flowers to the family when I can. I'm sending my condolences , this is a very emotional loss for us all. Dj touched the hearts of any person he met and if he didn't he definitely could have if he tried ❤️ r.i.p brother 😭😭
