“ *Many good memories of this "energetic" lady. Our families were together a lot, especially when they lived in Allen Park. Always fun when they were around, and had a blast with Gary, brother Tom, and Dennis at our deercamps. And CARDS CARDS CARDS, I'm wondering what game the 4 of them are playing now! Will most definitely be missed, Tim Ouellette and Family.*

“ *Delores (Dee) Wells, and Gary were more than friends to My wife Terri and I. I met Gary as we were both with Bankers Life & Casualty Co.. In the late 60s we were competitors for top positions in the nation with our respective Branch/or District as managers. Then as we climbed the ladder we became very close. I was #1 in life Ins. in the 70s, and Gary called and asked what we were doing, I told him and boy did he take off. At one point he was leading in disability, so I called and asked him what he was doing. I still treasure the Top Banana card he sent me for #1 in Disability. That's the way a 49 year treasured time with Dee Wells started. We made all the conventions, as did Dee with Gary. The trust and love I had in Gary just flowed over to Dee, and the memories and amazing times blossomed. We lived far apart but still met in Vegas, or Arizona, or Oregon for years after I Retired in 1994, and stayed in touch with Dee after Gary Passed. She was a firecracker and a most special lady, one of those you simply respect, and will always miss. Rest well you did you job well*

“ *Dee and her husband Gary were great friends with my mom and dad al and Vera Ouellette. How they used to battle in their many card games. I will never forget how beautiful their friendship was and Dee will be sorely missed by what is left of the Ouellette family. We wish we didn't live so far away in the middle of one of our worst winters in history, so we could give our condolences in person. We love the wells family. Randy & colleen ouellette*

I remember a time when Dee took a group of hospital volunteers to Atlanta for the day. We piled into her big van, visited several places and had jut sit down for lunch when Gary called and said I am on the way to you. The doc wants to see you now. Gary drove down, traded cars with Dee, so she could go to the Docs, while Gary stayed and had lunch with us. If that is not sharing love , I don't know what is. This was not just a one time thing, Dee and Gary was always like this . I have not see Dee in 5 years, but she was never forgotten. I keep a photo of the gang where I can see it every day. Those were the GOOD OLD DAYS.
