“ *My heart is broken...We adore you and always loved seeing your face. When we first met, I wasn't sure how to read you especially when Taylor said he was scared of you the first time he spent the night with Jaxon lol But you won us over pretty fast. You were so strong and did what you had to when it came to your family. Your smile is beautiful and so is your soul. Something about you caught our hearts and now our hearts are broken. You are not only THE BEST cook ever but you are also a great friend to chat with. We love you lady and you will NEVER be forgotten...Danny, Felicia, Taylor and Bailey*
