“ I met Don when we both were with CCEC and then he was my boss when we were with McCullagh Leasing. Don was a great guy to work for, and while he was exacting, it was extremely fair. His success in the company was only exceeded by his legacy of managers who got their initial training under Don. He will be missed. Regards and sympathy to his family.##imported-begin##Benny Bencivenni##imported-end##

“ Dear Friend, we will miss you. You brought such joy and laughter and generosity to our lives. I remember the first time I met you and Judy and getting to know you and being invited to your celebrations - what giving, loving and caring people - loving life to the fullness. We will always remember Don with such fondness and know Judy has so many friends to help you carry on. We love you Judy and hope God will give you courage, love and warmth of family and friends to help you through this sad time and always.

“ I've known Don for many years in business dealings. He maintained a drive to always win more customers by his service and friendship. If you met Don you truly had a friend. I extend my prayers to the family for help in their future with the void left by Don's past presence.###imported-begin##Bill Dupree###imported-end##
