“ *I remember at one point I referred to him as Kenny Rodgers; right after I found out he had passed I hit my knees and prayed for comfort and peace for Lisa and the whole family. Right after that I heard, Kenny Rogers playing on the radio at work; The gambler. Uncle Donald knew how to hold them and fold them. Praying for love, peace, and comfort in Gods love for all.*

Our hearts go out to Debra and the boys and the family.. After being friends/ neighbors for somewhere around 30 years, please know that we are just a phone call or short walk across the street if we can help in any way.. You will continue to be in our prayers.. Don was a kind, hard working man with a wonderful sense of humor and zest for life and certainly loved his family.. He will always be in our memories.. As his recent journey was life changing for hm as well as all of you, we saw the great loving care and dedication that you so unselfishly gave to him .. May the Lord comfort each of you as you adjust to his loss.. Love Allen and Nancy
