“ I remember as a kid my brothers and I visiting Don and Mike one summer. Don and Mike took their Pittsburgh cousins swimming in a water hole in Cobb County and Don had his large hunting knife to protect us from water moccasins. We had a lot of fun that summer. Our love and condolences to Darlene and Don’s family in their loss but we celebrate his life and testimony as a faithful follower. Jan and I have always felt a kindred spirit with Don and Darlene and have always enjoyed the few times we have been with them.

“ *We are so saddened by this news and are praying for you all. May God's peace cover you. These are deep waters and pray the Lord will sustain you and lift you up. There is so much to be grateful for, even so, we miss them so much when they go home. Don was a faithful father and husband and loved our Savior.*

“ I have many fond memories of Don and Darlene from my younger years. I am praying for Darlene and your family as you go through this difficult time. Life changes so much after a loved one dies....we're still waiting for Daddy to show up and do one of his goofy jokes. So thankful Don is with the Lord and that he lived such a faithful life. His example of steadfast faith is a mercy and a light to all of us. I am recovering from surgery and won't be able to attend visitation or the funeral. Will continue to pray for you guys. Life is short and then we die, but there is hope in Christ and we will be together again. I know he had a sweet reunion with MawMaw, his Mama and Daddy, my Daddy and all those who've gone before. Much love, Rosemarie
