“ *Don and I were cousins. I'm from Alabama. Our parents were close friends and my folks would let me come a week or so during summer break. I had long dark hair. One day Don said he had heard of washing my hair with mayo and writing with beer so we did and then rinsed out my hair. Well okay I brushed it out and let it air dry and it was so silky and soft. Wonder where he learned that at about 12? Sara, Bobbie and Phil go way back with many and great memories. I'll miss my cuz The rest of my life cause I loved him a bunch!!*
