“ Karen, you popped up in my mind and thought I'd search for you. I'm so sad to read of Donald's passing. I have great memories of visiting with you and your taking Melina and me to Stone Mountain. It was a lovely day... he was a good man. Remember the good times and take care of yourself.

“ Donald was such a nice man. I'd visit the Duluth lab occasionally and every time I'd walk in and Donald was working, he would say in that nice, low and slow voice, "hello, Deborah and ask me how I was doing." It saddened me to hear of his passing. I will keep all of you in my thoughts and prayers. Sincerely, Deb Grogan

“ I am very sorry to hear of Don's death. I know he will be greatly missed by Karen and the family. I only saw him on occasion over the last number of years but when we did meet he always greeted me with a handshake and I was glad to see him. I pray that God will comfort the family in a very real way during this time.
