“Daddy oh how I miss you. You were the best father a daughter could ask for. I'm so thankful that I have so many great memories of us. You showed me what a true Godly man was. Through your sickness and pain your faith in God never wavered. You taught me so much in 32 years. You were a perfect example of Gods love. You had the biggest heart. And no matter what I did you were always so proud of me. I pray that I continue to make you proud. You fought the good fight and received the ultimate healing. No more cancer, no more pain Daddy. I know you are watching over our family and that gives me so much comfort and peace. You were so worried about mamas future but I promise you I am here to always take care of her. We needed you here on Earth but God needed you more. Heaven received a beautiful Angel the day you passed. I'll see you again one day in the big mansion in the sky! I love you to the moon and back. I'll always be your baby Jennifer 💜💜💜

“My brother Donald was a unique individual. He was one of the most generous, kind-hearted, and giving persons I have ever known. His gift of mercy often manifested itself. Life doesn't always treat a good man fairly as evidenced by some of the trials that Donald endured. But, that never changed his precious heart. Donald was also loyal to his family and friends who all testify of his faithfulness. He loved Jesus, and like our Heavenly Father, he loved people unconditionally. He was not perfect, but he was a Godly man. I love you, Brother and look forward to our reunion some day. The reality is...to live is Christ and to die is gain (Philippians 1:21).
