“ *I can only imagine that when Uncle Donald meets up with Granny in Heaven, he will pick her up and swing her around in his arms. He has missed her since she stepped into eternity. Now he is there... on her heels. I pray peace and comfort for my Aunt Margie as only God can give. Much love to my family...especially in the days to come.##imported-begin##Heather McDonald Davis##imported-end##*

“ I can't begin to say all that Donald has meant to our family, he was
the best thing that ever happened to my sister Margie, my mother
loved him as though he was her own son, as he loved her. He was
my friend, my "sparring" partner, and my "Braves" buddy, I will
forever love and miss him.###imported-begin###Elaine
