“ Dear Lesyle and The Murphy Family, My sympathy goes out to you and your Family at this time of sorrow. Losing someone you love is almost unbearable in the natural life, but Donny believed in the spiritual life deep in his soul. We are here on this earth for only a short time and then by the GRACE of GOD we are united with our heavenly Father... I find my comfort in knowing the Donny we knew will be in the LIGHT with a warm arm around him. Donny will finally know true spiritual peace that he has searched for all his life. His earthly body will feel no more pain and in this we should all take solace.##imported-begin##Laurie K. McIlwain##imported-end##
