*The JOY within Donielle is evident in all but 1 photo. That tells me when she wasn't able to smile she was working to come up with a plan to bless another life. Oh my, what a grievous loss to all who knew her; especially Donielle's husband, children and close friends. Please, Lord, may your peace reign in the lives of all those who are feeling the emptiness and grief of Donielle's passing. Amen*

*There aren't enough words to describe this beautiful mother of 3. First hand, I was able to see just how much she loved and cared for her children and family. She took great care of them , and it has been a joy getting to know her and her family. Joe, my prayers and service will continually pour out to you and the kids.*
