“ My first recollection of Donna was via over the phone. My brother Gary was in love and he had to tell his family... Gary told me, you will love her Diane, and I did. As I was reading my niece Leah's comments about Donna, I realized what a great impact she had on her life. All of us will be eternally grateful for that. Donna helped raise my beautiful niece and her wonderful son, she considered them her family.

One of my favorite memories of being with Donna was when several of us siblings went to a religious retreat in Europe, too many to tell...making memories. Also, her love for my father, she always told him “ I LOVE YOU MORE THAN YOU LOVE ME”. My dad loved hearing Donna say that. Dad always said, when Donna and Gary visit me, it was like going on vacation. For just these few loving memories, I will always think of Donna as another sister.

RIP my dear sister, no more pain!

“ Fifty plus years of friendship and wonderful memories will keep us smiling and laughing until we join you on the other side. Will never forget your laugh, your smile and your love, your willingness to help and so much more. Oh, and your undying enthusiasm for your beloved Bulldogs! We will probably hear you yelling Go Dawgs all the way down here each time they play! RIP beautiful friend. We will miss you. Love, Carole and Joe Reed
