My deepest sympathies to all who loved Donna. I found her quilt tutorials incredible. She was calm and showed step by step instructions. I am in shock at her passing. May God comfort you all during this time of sorrow. In my thoughts and prayers.

“ You weren’t just my friend. You were my best friend. We experienced the best and worst things in life together. We laughed and we cried together, but mostly laughed! I cherish the memories and the friendship we shared. I miss you so much and I love ya Donna Girl.

Until we meet again...

“ Growing up, Donna was my friend, my aunt, and a mother figure. She is a big part of who I am today. I am glad that she got to experience things like her grand-daughter, her daughter's wedding, and all of the other beautiful things that happened on this Earth because she was on this Earth. She impacted the lives of many and touched the hearts of more. I think of her always and will continue to do so for as long as I'm able. She may have passed but her memory will live on in our thoughts, her wonderful daughter, and her precious grand-daughter.
