“ Hello, My name is Lee Suderman and I live at 21 Lakewood Circle, North Newton KS 67117. I worked with Doyle McDaniel in publishing for nearly 15 years and only now discovered that his second wife, Donna, had passed away in 2018. Unfortunately we've been out of touch with each other for over 20 years. Is it still possible for you to forward this belated message to Doyle and help me reconnect with him after these many years? I'm 81 and don't have facebook but my email address is leesuderman@cox.net and my phone number is 316-283-4251 in case he can respond to me. I, too, have been a pastor and realize that funeral directors don't usually give personal information about their clients to strangers. But any help you could give me to reconnect with this friend would be appreciated. Sincerely, Lee Suderman

*if the sun should rise and find your
eyes, filled with tears for me.
I wish so much you wouldn't cry,
the way you did today,
while thinking of the many things
we didn't get to say.
I know how much you love me,
as much as I love you,
and each time you think of me,
I know you'll miss me too.*

Donna was such an angel! She had a lovely soprano voice and sang faithfully in the Decatur Presbyterian Church Choir for many years. She was always smiling! Even when she didn't feel well, she kept going and kept smiling and thought of others over herself! She was a great friend to me- and to many others! We will never forget her, and never stop missing her! Our deepest sympathy to her family whom she loved so much!!
