“ Donna, I am so thankful for having you in my life. I have told you many times what a great daughter, mother, and nana you are. I am so thankful for our talk we had a few weeks ago it was powerful and showed just who you were. Your faith in God is amazing but anyone that knew you could see that. Tim and I really enjoyed our visit with you. I hope I always showed you how special you are to me and how much I loved you. You will be missed by many and I will miss you every day but I will see you again someday.

*Love and miss you always,
Aunt Deborah*

“ Donna had the biggest heart. She would literally give you her last dime if she thought you needed it, even if she needed it more. She had a wicked sense of humor, thought Burt Reynolds was sexy, took care of her cats..inside and adopted! Loved her friends and colleagues..But most of all she loved being a Mother to Brandi and a Nana most of all to her grandchildren. When she talked about them, her eyes lit up and her whole face showed joy. You couldn't help but love her. She is going to be do missed.

“ Donna was an awesome coworker and friend. Never a time that she didn't come to the rescue to any department that needed assistance. On a personal level, Donna was a loyal and compassionate friend. Her love of her precious Lord and savior was second to none. The love she had for her beloved family can only come from the indelible well of a mother's heart . I love you,

“ *Momma, you earned your wings at 315am this morning. I love you so much. This is the hardest thing I've ever had to do, but you and God are only going to give me what I can handle. You fought hard mom. My superwoman. I'm so proud of you. We will celebrate you Friday on your birthday <3*
