“ *"Here's to you too", my beautiful Aunt Donna, love the picture! That laugh! What I will always remember is that wonderful, contagious laugh! When ever you and my Dad, your "Big Brother", were together, you would always hoot and carry on at his corny jokes and one liners as if that was the first time you had ever heard one-though you must have heard them hundreds to times over the years! Funny how I miss them now too...I would like to think you two are together again, carrying on just like old times!
Know that you will be missed greatly by all those who knew and loved you, Dear...
My sincerest condolences to my cousins, Linda, Tim, Ashley and their families in this time of sorrow. Wishing you all comfort and grace moving forward in the healing days ahead...cherish the memories and the love that will be yours forever more!
Your "Cuz", Jim Fisher*

“ *What a great Mom she was to one of my Dearest Friends, Linda and Grandmother to Ashley, may you both be at peace during this difficult time and remember that, "Grief is the price of Love", my heart is with you all.*
