“ *What a beautiful tribute to a beautiful lady! We will always remember her “smile”. Donna’s family was known to the AISO family, because not a day went by that she didn’t have a loving story about her family to share with us. She was so proud of you all. Cherish your memories and live your lives and she would have wanted. May God bless you during these difficult times and send comfort to you every day. Donna was a beloved colleague...our heart is broken.*
