“ *Losing a loved one is never easy, bu the Bible gives us comfort from the Scriptures to help us cope and to comfort us in our time of need. Imagine a time when death would no longer exists, when it would be brought to nothing. That is what God promises at 1 Corinthians 15:26:*

26 As the last enemy, death is to be brought to nothing.

Soon, death would no longer exist and we will no longer have to experience the pain of losing a loved one in death. For more information, please visit jw.org.##imported-begin##autumn##imported-end##
