“ Dearest Lona, Jim, Stefani & Sam,

We are so sorry to hear about your Mom's passing. We're keeping you in our hearts, thoughts, & prayers. Lona, your Mom & Dad were my Aunt & Uncle, but also my dearest friends. Most of my best memories are of having great times with them & you. Your Mom was genuinely one of the most loving, caring, generous people I've ever known. I loved her more than words can say. I will miss her and the long phone calls we used to have, but I know her spirit is with us. I also know I will be with her again one day. We all will. Lona, your Mom adored you, and Jim, Stefani, & Sam when they came into your life. She still adores all of you. There are no words to say that will help you right now, I know. Just know that I (we) love you and feel your pain. God bless you & help you at this sad time.

Love always,

“ A prayer for you Aunt Donna. You were a breath of sunshine, a brilliant light which shown through the darkness, and your light will forever shine down upon me wherever I go. Thank you for being in my life. I will miss you beyond words, but I know you are near.

All my love, always & forever,
Jenny-pooh

Dear God,
Please take the soul and spirit of my dear Great Aunt and Godmother into the sweetest corner of Your mind, the most tender place in Your heart, that she, and I, might be comforted.
For now she has gone, and I pray, dear God, for the strength to remember she has not gone far.
For she is with You and shall remain so forever.
She remains within me, for we are all in You together.
The cord that binds us one to the other cannot be cut, surely not by death.
For you, dear God, have brought us together, and we remain in eternal connection.
There is no power greater than You.
Death is not Your master, nor mine.
These things I believe and ask my heart to register.
I surrender to You my grief.
I surrender to You my pain.
Please take care of Your servant, my dear one who has passed.
And please, dear Lord, take care of me.
Amen.
