“ *Thinking of you all and praying. Think of you often when we drive by the Grayson Parkway house and wonder if you are still there. Donnie is buried in walking distance of our house . Give us a hollow if you ever feel like you would like to have someone visit the cemetery with you . We have lots of reminiscing to do. Life has really rushed on. Now we are proud Grandparents with our little ones all grown up. So we have lots of bragging to do. Take care. Would love to see you. Love , Ann and Family*
