“ Teion & Family-  
I want to send my deepest condolences to you and the family. You don't know me but I know who you are. I am your father (Keith McKnight) youngest sister from Richmond VA. I want to let you know that I am praying for you and the family. Donovan is a beautiful child. I know that this time is very difficult and no one will be able to say anything that will ease the hurt but I want you to know that we are thinking about you & praying for you always. Psalms 46:1-God is your refuge and strength, a very present help in times of trouble.

Love,

“ Charity,

*I can not express my deepest sympathy for you and your family during this terrible, tragic loss. I can remember when this child was born, how excited you were. Now, it is a sad time and I'm sure it must be hard to reconcile what has happened. The only thing I can say is God is here and now Donovan is with God. My granddaughter, Alyssa, told me that. She knew something terrible had happened as I read Jessica's e-mail. Know that my thoughts and prayers are with you and your family during this difficult time. “ Donovan was a very cute and loving child. I know that you miss him dearly and your hearts feel lost, but take comfort that he is with God now, and is smiling down upon you. Family, friends, faith and time will help to heal your grieving hearts. Keep your faith, and stay the course. God bless.###imported-begin##Trudie and Raymond Pearce##imported-end##

“ Teion and Shelly - There are no words to express how much we loved him. He was such a bright, funny, loveable little guy. He is gone physically, but he will never leave your hearts. Heaven has another angel. We don't know why he's gone and why God needed him more than we did. But I know that he's a peace with his Grandma, and I know that she'll comfort him and love him just as you did.##imported-begin##Chip and Danielle Hester##imported-end##

“ Shelly & Teion -

*Words don't come to mind to explain how sorry I am for your loss. At the same time I don't think words will make this any better. Just remember god has his reasons for the decisions he makes - regardless if they seem unfair to us. Your little angel is in a safe place now. Remember to lean on family and friends during this hard time. Our thoughts and prayers are with you now and always. We love you! - Gretchen, Joe, and Evan##imported-begin##Gretchen Donovan##imported-end##*
