“ *I am so saddened to learn of Arlene's passing. My family lived two doors down from her and Sonny in Smyrna and they and my parents were very close friends. Many of my happiest childhood memories include Sonny & Arlene. Years ago, my mom and I joined them on a few of their trips to Hollywood Beach, FL and I cherish those memories of fun and laughter. Going to dinner at the Kapok Tree and best of all, the late night trips to the restaurant in the Howard Johnson's beach hotel we always stayed at. They had the absolute best hot fudge sundaes on the planet & it was our favorite way to end our day at the beach. A day with Arlene always meant a day of fun for me. She and my mom would be silly together and the laughter was contagious. Thank you Arlene, for those moments.*
