“ *Dorcas was one sweet woman I have not seen in about 2 years. I will always remember the good times we had when we were younger. We would always ride around the square in lawerenceville that was our entertainment. She was a good woman and i know she is in heaven today. I loved her---joan brumblelow clanton###imported-begin###joan brumblelow clanton###imported-end##*

“ I am deeply saddened to learn the news that Dorcas passed away. I learned about this by accident so I am not aware as I had not spoken to Dorcase in about 1-1/2 years.

I worked with her at GRN Community Service Board, and she made such a difference in my life and was always a precious friend. We shared many, many wonderful conversations, and I will always remember her loving kindness towards me and others.

My deepest sympathy to each of you - she thought each of you were special.

“ *Dorcas ,
one of the sweetest people you would ever want to meet.
I know she is having the best reunion in heaven with her husband
...her mom Thelma and some of her brothers who are already there.
Try to focus on the good and the fact that she is in heaven. its
hardest for those she leaves behind , but we will see her again if we
live the way she did..
you will be missed..love always and I will see you again
