James and I are sorry for your loss. We loved Doris and Clyde. We knew both of them from Fannin County and saw them here in Lawrenceville and enjoyed their company. Doris loved to talk, and enjoyed her conversation. We enjoyed seeing the both of them at McDonald's and taking them there. A lot of memories. Doris always had a smile and a prayer for one needed.

*Gone but not forgotten. In God's Care and with her husband Clyde and her Jeffery she loved so much.
God BLESS to all her family.*

Glenda, I have the greatest memories of your Mom. I don't exactly remember how we were related, but we always claimed to be cousins. Back in the early 1950s Mom was living with your parents in Ohio when she was diagnosed with cancer, and came back to Georgia. I'm sure that was the beginning of the many prayers she prayed for Mom. I can remember her joyful spirit as she came to visit after Mom moved to Gwinnett and went through several difficult surgeries.

My deepest sympathies go out to you and the family, I know how bittersweet it is to have our Moms pass on.

Praying for our Fathers grace and mercies be with you at this time of grief.
