“ *My aunt Doris was one of the kindest ladies I have ever known. She was a treasure that Uncle Jim had found so many years ago. Her loving personality and sweet smile and the love she had for her family and friends will ever be a lasting legacy for this precious lady. I will sorely miss you and I do know you are again united with the love ones who have gone before you and your sweet Jim. Thanks for making my childhood memories so special because of such wonderful aunts and uncles which you will be remembered as one of the best of them. God Bless your family as they tell you goodbye for a little while!*

“ *It is with sadness that I read of Doris's passing. Doris was my mentor and teacher as I came to work at Citizens Bank of Georgia in Stone Mountain in 1972. She patiently taught me the lending side of banking while I was a trainee at the bank. My success in 37 years of banking was built on the foundations of banking that Doris shared with me. She always had a smile and made herself available to listen to my questions. I am a better person for having known her grace.*
