“ *Doris was 12 years old when I became her aunt--from that time we always have shared a very special relationship--through these many years I've always admired her ability and faith to care and provide for her family during the difficult times as well as the good times. She has always been a wonderful mom. a caring daughter, loving wife, and her friendship has been a blessing in my life. I'll miss our great phone conversations where we could solve all the world's problems in an hour. My sympathy and prayers are for Steve and Jeff as they mourn the loss of a their mom--please know that family members are grieving along with you. We are only a phone call away. Love, Aunt Sue*
