Knowing Doris has been one of the most blessed events in my life. Remembering her sense of humor and love of life and her graciousness towards others brings a smile to my heart.

Very sorry Larry and I will not be able to attend her memorial service but family and friends please know our hearts will be with you while you celebrate her life.

Jimmy and I were very sorry to hear of Doris's passing. She was such a joy to be around. She and Jimmy worked together at State Farm for many years. She and I were good friends with Lois Wilson and we shared our experience, strength and hope with each other. The times we shared was filled with lots of love and laughter. She will be truly missed by many. Hugs to all of her family members.

Our thoughts and prayers are with Eddie and family. Doris and I shared a love for sewing and embroidery and had so much fun going to seminars and sharing what we learned. She was a lovely lady and a dear friend. I miss her terribly.

I was blessed to be able to do Doris's hair the last four years. She was such a sweetheart, and we shared our love for baseball together! I know she adored her family, especially her grandchildren! I will miss her so much, and will keep your family in my thoughts and prayers during this difficult time.

“ When we met (about 30 years ago) ,we had an instant connection. I have loved her and her 2 beautiful kids and families. We had a LOT of fun and she helped me through a lot of bad times. She was a wonderful friend, and a wise confidant. We haven't seen each other in years, but kept up with each other via e mail. I'm sure that she had many many friends who loved her over the years. She will be missed.
