“ Bobby,
It saddens me that your dear wife June has moved on to her next life. I am sadden for you and your family because I know you will miss her.

Our Lord has taken her from all the suffering that she has been going through and has brought her unto Himself. She is not suffering anymore and knowing this will bring you and your family peace in the future.

Please know that you and your family are in my prayers. Our God is an awesome God and walks with you. He will give you the strength and peace that you need to get through this.

God bless you and yours,
