“Dori was a very precious saint who loved the Lord and wanted to know more of Him.

The time spent with her in the 1980s was memorable as we worshiped and fellow-shipped in Church.

Dori's smile was so heartwarming. I'll remember her especially for that. She was a true reflection of a lady, very gracious. Even when she was not happy about something, her voice and tone was always soft, but firm. She'll be missed, but I'm comforted knowing she's smiling down at us, at rest with the Father.

“Dorie as we all called her, was one of the joys of my life. I always need she loved me as intensely as I loved her. As my mind goes back over our lives, I recall so many happy times we shared. I always loved to hear her laughter so full of joy no matter the situation. I will miss hearing her voice and knowing that she was a phone call away. My strength comes from the fact that I know she loved God with all her might and she is resting in His Arms

Dorie, I know you are basking in the glory of the Lord. Your loved ones are hurting and I pray that although weeping may endure for a night joy comes in the morning. You will be missed but you will be reunited with them in Heaven.

“*Aunty Dorie's smile is what instantly appears in my mind whenever I think of her. Even now, I know that she is smiling and at peace in the presence of the God that she served. To my cousins and the entire family, may God comfort and strengthen you all ❤️.*

“*Aunty Dory. Whenever I spoke with her her voice was always filled with joy and laughter. She was the epitome of the Trinidadian “singing voice”. I’m so happy that all my memories of her are her smiling and giggling. It really pained me when I learned of your passing. Sleeping through the night was impossible. But when I think of the fact that Uncle Hollis, Aunty Audrey, Uncle Nesto, Granny and Grandad were waiting at heavens gate to greet you I felt so happy and relieved. I will miss your voice and laughter but I know they are enjoying it and chatting away with you. We love you.*

“ *Aunty Dorie,
I am deeply saddened to hear of your sudden passing! Your bright smile would light up a room! I'm so grateful that you were able to attend our wedding 3 1/2 years ago. I remembered you asking me to fix up your hair although it was in a short afro. I'm so happy to have seen you through zoom one last time at the Cambridge virtual reunion! You have always been such a blessing and kind - hearted. Although I am grieving, my heart is filled with joy knowing that you were greeted at the heavenly gate by family especially granny, grandad and uncle Onesto. Thank you for the great memories while you were here on Earth!*

“ *My big sister Dorie has gone home to the Lord she loved and who loves her. I have so many stories I can tell, but of all the memories I cherish, it will be her laughter and her love for her family. She will always be in my heart. May my nephews, Garth, Jonathan and Jeremy and nieces Alicia and Deborah and all of her grandchildren, find comfort in the assurance that she really and truly is with Jesus.*
