“ *I knew Mrs. Blalock , Dot, as one of my “other mom’s. Vicki & I we’re inseparable in high school. I was either at her house or she was at mine. Vicki & I definitely kept her on her toes! She would worry so about us. She always had our best interest at heart. She & Charlie were always so good to me. I have very fond memories of them both. You will truly be missed. My thought & prayers are with you, Vicki.*

“ *Thank you for being my beautiful Mom. You were my very best friend and traveling companion with a zest for life. You will always be my heart. Whenever mine was broken, you loaned me yours. While the void and sadness will remain here in me, I will rejoice and be comforted knowing you are heavenly! I am thankful to God daily for loaning you to me as my Mother here. I know Dad was happy to see you and asked what took you so long. You said “Well Charlie, Vicki needed me & I had to see Sarah graduate...”*
