“ *She was the sweetest aunt I had she had kind and humble like my mother her Sister Grace I remember moma and aunt Dot going every where together in ant Dots comaro they were in there 60,ths then and they reminded me of me and my Sister Gina we had Comaros when we were in our Thirty's and Forthties and we would ride everywhere together also to the grocery store and shopping or too visit our love one's I sure do miss Aunt Dorothy and My Mother Grace we have some wonderful Thanksgiving s and Christmas s together and I miss my Sister Gina and my uncle Julion he was my mothers and aunt Dots brother he died in the wreck the same day my Sister died in the wreck they had after leaving my house. Life hasn't been the same with all of them gone on too Heaven then I Lost my brother but we lost aunt Dont last her som shane died right after I was in the bad wreck that I was in in 2020 and I wasn't expected to live but the Lord was with me and brought me though it's hard being here alone even though I have cousin who never contact me miss y'all my precious ant And family Angie*
