“ Wanda and all the family. I know I can say we're sorry but that doesn't nearly cover it all. We have talked about my Mom (Dot's sister) and Dot over the years and they both had reached an age where they said "they were ready". Regardless, it doesn't prepare us for the actual time when God calls. We pray for you and all they family that God will give you peace knowing we'll all see each other again.

*I have so many memories visiting Aunt Dot and Uncle Ed seems like every weekend in Augusta. The other times they came to see us in Eau Claire bringing all you cousins along. Gosh, just remember the cookouts, picnics, etc.*

*Love y'all,  
Jack & Wendy Wilson*

*We have some precious memories for sure! I cannot imagine how my life is going to look now without her here with me every single day, but I praise God she is home with Daddy, Mike, Chuck, her siblings and JESUS! She loved her Lord. Now she can see with those beautiful blue eyes, she can walk without a walker, and she can hear without aids. To God be the glory! Thank you for these sweet words. Love you!*
