“ Sweet and Precious Dot - If only you knew how much I wish I was there for you those last few months, but life presented some stumbling blocks. Though we only first met a couple of years earlier, the impact you had on me and the invaluable lessons of kindness, character, love and humility that I learned from you are lifelong, and I know I'm just one of many who feel that way. I'll miss your hugs, the twinkle in your eye, your humor and your laughter. There's a sad void, but I'll take a cue from you and not focus on that, I'll just continue to be thankful for having the opportunity to get to know you. You were truly a treasure and, as my brother often said, "The most go-along to get-along person you'll ever meet." I hope you felt appreciated by all who knew and loved you. You were, and will remain, in my thoughts often and in my heart always. I know you're happy to be back with your sweetheart, as he's happy to be with you again. If you see Sumter, please give him a hug for me. Love and miss you...
