“ *I have so many fond memories of Dorothy. She was a special person to me and my family. I cherish the times we had together taking about any subject. Anyone who knows Dorothy Knows that she can talk! She was knowledgeable in so many subjects and I valued her opinion and wisdom. I enjoyed playing the piano for her when she was in my home as a little girl and also as an adult. She taught me so much about life, love, and The Lord. I love you Dorothy and will always hold sweet and precious memories of you in my heart.*
