“ I know that everyone in our family knows that Dog named me after her big sister in nursing school and my mom. From the age of 10 until she went to nursing school she lived with our family, as her mom had passed. She called my mom, momma. Most everyone who has known her in her later years called her Granny Dot. She loved her grandbabies and was a fantastic mom. She always walked into a room with a smile, so if you were down, you smiled because you saw her. She loved our family and was the last of that generation to be alive. She will truly be missed by all of her family and friends. I'm just so glad that she has gone home to be with the Lord and is no longer having to suffer. I also know that those who went before her are rejoicing to see her again. I love you, Clarice
