“ I was very saddened to read of the passing of your mother. I met her many years ago when delivering her fruit basket to her from the masonic lodge. I always looked forward to that visit with her in mid December. She was a great lady and I will remember her each December. God Bless...##imported-begin##Roger Hendry##imported-end##

“ I remember Aunt Dot's sweet smile and how she was such a lovely, sweet, southern lady. I know that as a child I must have tried her patience many times but she was always so kind and generous with me. My favorite memories as a child are the visits we shared at her house in Stone Mountain - I especially loved seeing her and my mom laughing and being silly together. She opened her heart and home to us time and time again - even put up with me for two weeks as a young adult trying to get a modeling job in Atlanta. It didn't work out, but I will always treasure the time I spent there with her. I am also very grateful that she is a Christian and will be seeing her again! I send my deepest heartfelt condolences to my wonderful cousins. I am so sorry to have lost touch over the years. You will always be a part of me. I am so sorry that I could not make it to the funeral but I know that your hearts will be comforted with the comfort that Jesus himself gives.##imported-begin##Debbie Gregory Horton##imported-end##
