“ *Dorothy was indeed the most wonderful person you would ever want to meet. Her ideals were bestowed in each of children and grandchildren and were carried out through each of them. The many years I knew her, I never heard her speak of anything but good of others. Her smile and laughter were infectious and she left me a special gift, that being to love, laugh, and be gracious to all. She was a Lady and always held her spiritual beliefs as a high valule. We will miss her always, but know she is at peace with the Lord and is with her beloved Lawrence.##imported-begin##Brent & Colee Hospers##imported-end##*

“ Dear Ann,
I was so very very sorry to hear of your mom's death. Please accept my deepest sympathy to you and to all of your family.
What a beautiful write-up of her life in the obituary. She was such a happy and gracious lady, and devoted so much time to helping others. I hope the many wonderful memories of years past will help you through this time of sorrow.
What a joy to see she had celebrated her 100th birthday - I had no idea she was that old.
Take care, and know how often I think about you and all my P.E.O. sisters in Chapter A.
Much much love,
Diane###imported-begin##Diane Roper Sharp##imported-end##

“ Ann, we were so sorry to hear of your Mom's passing. I've missed so many of my sisters since leaving Lawrenceville but especially your Mom. Stan still remembers the apple pie she gave him for rescuing me from a locked running car at Linda deMars home on Auction Day. He was not happy about making that trip but after he ate that pie he felt it was all worth while. I really appreciated her bailing me out. Miss you all very much and will always have such fond memories of Dorothy, especially when I make her topping for applie pie. Hope everyone in your family is keeping well. We have Canadian company arriving on Friday for two weeks but wish I could be there for the service.
