“ Penny, you and I didn't know each other that well at CHS, but I feel I've gotten to know you the last few years, even if only online. Your photos of Doug, your loving words, the way you cared for him -- it's just obvious how much you loved each other. My heart goes out to you and your family in this time of pain. May your memories be a comfort. Love, Margaret

*I will think of you often, Doug. I'll never forget all the time we played together as kids, me, you, Dale, Donnie, Cathy, Sheila and Ricky. You always showed up with a smile and something funny to say. To me and my mom and dad, brothers and sisters, you, your dad and brothers were a part of us, family. We had many good adventures together. Sorry we didn't see each other much, but that happens when we get older. Celebrate your new body and forever home with your loved one who have gone on before you. Look down on those you love and look forward to their joining you when it is their time to go home.*
